

*PINELLAS PREPARATORY ACADEMY, INC.*

## Capital Campaign

Pinellas Preparatory Academy, Inc. has a solid financial history, and is operated in a fiscally conservative manner in order to ensure the continued success of our schools for our students. Most of our operation (87%) is funded by the Florida Educational Finance Program. All in all, we spend less than half of what the district does per student.

We receive additional capital funds from the State of Florida called “Capital Outlay Funds.” We were anticipating \$307,082 in Capital Outlay funds this year, however, because the state will not yet recognize the feeder pattern between Pinellas Primary and Pinellas Preparatory, PPA, Jr. is ineligible for these funds. The most recent estimates are that we will only receive \$171,345. While we still anticipate operating with a small surplus this year, we will not have the funds to set aside for the capital projects we were anticipating in the near future, such as an investment in technology for PPA, and a playground for PPA, Jr.

Due to this unique situation, we are running our first ever capital campaign and asking for your help in replacing the funds to invest in the success of our students. If each family can either contribute or go out and raise at least \$100 per family, we will easily raise \$50,000 which will replace more than a third of what the state says we are ineligible for this year.

On the back of this form is a pledge form. If you are willing to make a contribution you can either send the money in now, or you may complete the form and return it as a pledge, and send the money in before the end of the school year. You may also make a donation online.

If you are unable to make a contribution we hope that you might ask your workplace, grandparents or others if they are able to assist. Information on the incentives for contribution can be found on the back of this paper or online. For more detailed information about this capital campaign, please visit us online at either

# We Need Your Help!

We need everyone's help to meet our goal of raising \$50,000 to set aside for future capital projects. If each family either contributes or raises \$100, we will surpass our goal!

All contributions will count towards a families annual points; 5-points for every \$10 donated. Be sure to put your students' name on the form below if you would like to receive the points.

Each family who meets the goal of either contributing or raising \$100 will be entered into a drawing for fabulous prizes:

- Two Kindle Fires
- Two iPod Nanos
- One iPad

*(and hopefully more to come)*

Pinellas Preparatory Academy, Inc. is a 501(c)(3) not-for-profit agency, so donations made to PPA may be tax deductible for individuals and businesses.

Businesses who contribute at least \$100 can have a banner advertisement added to our website if they provide the graphic to be displayed.

We realize that not all of our families will be able to participate, so we hope that families who are able to go above and beyond with fundraising please do so.

There is much more information about our budget, why we are asking for these funds, and other important questions online. Please visit our website to learn more or to contribute online.
